## **INTERIOR:**

This Learjet 45XR boasts eight adjustable captain's chairs with individual controls and under-seat storage, set up in two club seating areas. Seats are done in tan leather with chocolate brown detailed piping. Veneer is a dark rich straight grain that is applied vertically. The galley hosts a TIA microwave with a heated coffee pot, along with forward lockers and two self-draining ice bins. The interior is also equipped with an Airshow/DVD Player (Collins Airshow 400) and a 10 Disk Sony CD Player. Inside you will also find four card tables, removable carpet runner, two aft cabin storage areas, and three 115V charging outlets. In the Lavatory you will discover a belted lav, flushing toilet, sink/soap dispenser, a mirror, two pocket doors for privacy, and baggage storage with cargo netting. In the aft baggage area you will have 66 cubic feet of unpressurized storage as well. January

## Duncan Aviation

Duncan Aviation was founded in 1956 as an aircraft sales organization and is a founding member of IADA. Since 1956, we have conducted more than 3,500 transactions. We have 2,150 aviation experts worldwide, each with an average of 12 years with the company. The aircraft sales team partners with these experts to provide technical support before, during and after the aircraft transaction.

Duncan Aviation is the world's largest privately owned business jet support facility. We provide business aircraft operators with every aircraft service they need. Yet we do so with the friendliness and responsiveness of a small-town company.

Our people have a passion for aviation and for serving customers. They are among the most experienced in the industry and the quality of the service they provide is among the best in the world.

Customers often visit our major MRO facilities in Battle Creek, Michigan; Lincoln, Nebraska; and Provo, Utah, and are surprised at our vast array of services, our innovative solutions and our excellent customer service.

We provide aircraft acquisition & sales, airframe & engine maintenance, avionics installations, interior & paint completions/modifications, avionics/instrument/accessory repairs & overhauls and parts support for Bombardier, Dassault, Textron, Gulfstream and Embraer manufactured aircraft. Our 20+ avionics satellites and 16 engine Rapid Response offices provide avionics and engine services in the field for scheduled and AOG work. And our parts team provides 24/7/365 support worldwide with knowledgeable reps who answer the phone day or night.
