2006 CITATION XLS SN 560-5630

2006 CITATION XLS SN 560-5630 N560DC

Duncan Aviation is excited to present Citation XLS Serial Number 560XL-5630. Not only does Serial Number 5630 have an exceptional ownership history and maintenance pedigree, it is being offered “as-is” or with the following opportunities for the next Buyer:

- Fresh Paint: All over Snow White with Customer Selected Scheme and Striping*
- Refurbished Interior (Whole or Partial) to Customer Specification*
- Avionics or Cabin Communications Upgrades to Customer Specification*

Citation XLS SN 5630 is configured comfortably in the factory standard center-club floor-plan with a forward side-facing seat, with four individual tables for total convenience. Ample storage is provided by the forward right-hand galley/closet combination and spacious externally accessible baggage compartment. The forward left-hand refreshment center comes complete with MAPCO heated coffee unit, and cooling drawers. In addition to having the largest external baggage compartment in its class, the serial number 5630 features additional storage space in the rear lavatory, which includes a full-sized sink and cabinet and an externally serviced toilet.

Citation XLS SN 5630 is equipped with updated LCD DU-1080 Flight Displays, Dual Universal FMS, Garmin GTX-3000 ADS-B Out and In, TCAS II v 7.1, Digital Flight Data Recorder, and LCR-100 AHRS. Operational Approvals include Category II Approach Capability, Steep Approach Approval with EGPWS Cut-Off Switch, High Altitude Airport Approval, and Wet Runway / Thrust Reverser Performance Data. Engines and APU are fully covered by Textron PowerAdvantage Plus and MSP Gold respectively.

Savvy buyers select the XLS because it combines a true mid-size cabin with proven light-jet operating costs and runway performance. It is the reason it's the most popular jet in the pre-owned market.

Please allow Duncan Aviation to opportunity to show you how to transform Citation XLS SN 560-5630 into your personal masterpiece.

**Aircraft offered on an “as-is, where-is” basis without improvements. Improvements offered separately.*

Duncan Aviation

Duncan Aviation was founded in 1956 as an aircraft sales organization and is a founding member of IADA. Since 1956, we have conducted more than 3,500 transactions. We have 2,150 aviation experts worldwide, each with an average of 12 years with the company. The aircraft sales team partners with these experts to provide technical support before, during and after the aircraft transaction.

Duncan Aviation is the world's largest privately owned business jet support facility. We provide business aircraft operators with every aircraft service they need. Yet we do so with the friendliness and responsiveness of a small-town company.

Our people have a passion for aviation and for serving customers. They are among the most experienced in the industry and the quality of the service they provide is among the best in the world.

Customers often visit our major MRO facilities in Battle Creek, Michigan; Lincoln, Nebraska; and Provo, Utah, and are surprised at our vast array of services, our innovative solutions and our excellent customer service.

We provide aircraft acquisition & sales, airframe & engine maintenance, avionics installations, interior & paint completions/modifications, avionics/instrument/accessory repairs & overhauls and parts support for Bombardier, Dassault, Textron, Gulfstream and Embraer manufactured aircraft. Our 20+ avionics satellites and 16 engine Rapid Response offices provide avionics and engine services in the field for scheduled and AOG work. And our parts team provides 24/7/365 support worldwide with knowledgeable reps who answer the phone day or night.
