Listing Agent: Ann Pollard

+1 781.249.7330 | Ann.Pollard@DuncanAviation.com

Ann Pollard is a pilot and a skilled aviation professional with 35 years of industry experience. She is one of a small number of global aircraft brokers who hold the title of International Aircraft Dealer Association (IADA) Certified Broker. Before joining Duncan Aviation's Aircraft Sales & Acquisitions Team, Ann held the positions of Vice President/Director of Sales & Acquisitions, Director of Charter and Managed Aircraft, Airport Manager, and FBO/Operations Manager at Shoreline Aviation in Massachusetts. She has extensive knowledge of complex aircraft transactions, aircraft management relationships, completion projects, inspections, and avionics/cabin upgrades.

Ann serves on the Board of the Massachusetts Business Aviation Association and previously served on the NATA Board of Directors, as well as on the boards of several other industry organizations. A detailed-orientated facilitator with a big picture view, Ann enjoys fostering long term relationships and supporting clients throughout their entire ownership experience. She has been a part of hundreds of aircraft transactions, and has been involved with many aircraft through multiple ownership changes. One of six pilots in her family, Ann earned her pilot's license before her driver's license. During her free time, she uses her Airstream Globetrotter as a base camp for fly fishing and hiking adventures with friends and family, and is involved in several charity organizations.

OUR COMMITMENT:

To leverage the extensive experience and resources of Duncan Aviation for the benefit of business aircraft sales and acquisition clients worldwide. Put 65+ years, more than 2,500 team members worldwide, and the experience that comes with more than 3,500 aircraft transactions to work for you.

Founded by Donald Duncan in 1956 as an Aircraft Sales company, Duncan Aviation is a 4th generation, family owned MRO with more than 2,500 employees who are dedicated to supporting all aspects of aircraft operation and ownership. Duncan Aviation has developed an unparalleled network of contacts by providing services to more than 4,000 aircraft each year and maintaining relationships with nearly 60,000 aircraft owners, operators, and industry sources worldwide. We have a global reputation of trust, transparency, and innovation.
