

DUNCAN
AVIATION

WORLDWIDE RAPID RESPONSE

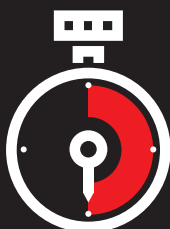

GET SUPPORT NOW

www.DuncanAviation.aero/AOG

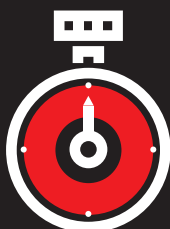

OR, CALL:

+1 402.470.4560

WE PROMISE:

Within 30 minutes, you will hear from a Duncan Aviation RRT member by phone to acknowledge your AOG request

Within one hour, we will follow up with labor availability and logistic planning

To be onsite at your location, pending agreements, approvals, and manpower availability

We promise to do what it takes to get you returned-to-service as quickly as possible

SAVE TIME AND EXPENSE!

Duncan Aviation can be an extension of your flight department maintenance team. We arrive with service vehicles equipped with the necessary tooling and a long list of capabilities.
