Dear Mr. Kussatz:

Enclosed is Federal Aviation Administration - Parts Manufacturer Approval (FAA-PMA) letter dated July 5, 1983, which is being issued based on your statement of June 21, 1983, certifying you have established a fabrication inspection system meeting the requirements of FAR 21.303(h).

Also enclosed is Parts Manufacturer Approval, Supplement No. 1 dated July 5, 1983, covering all components eligible for FAA-PMA marking at this time. If you desire any future approvals, you should advise this office in writing and include the certifying statement required by FAR 21.303(d)(2).

If you have any questions concerning FAA-PMA regulations or procedures, please feel free to contact this office.

Sincerely,

Joseph E. Bonk
